

PRODUCT CATALOG

APEX

Formulating For Professionals For Over 50 Years

APEX

**Professional Heavy Duty
CARB & CHOKER CLEANER**

- Quickly Removes Gum, Dirt, Varnish & Carbon
- Cleans & Frees Linkages, Chokes, Throttle Plates, Heat Risers & PCV Valves
- Helps Restore Maximum Performance & Power
- Reduces Emissions, Hard Starts, & Stalling
- Safe for Oxygen Sensors & Catalytic Converters

Stock No.	FILL SIZE	PACK
B-00001	12 oz. net wt./340g	12 ★

**Professional Heavy Duty
ENGINE DEGREASER
Penetrating Solvent Formula**

- Cleans Dirty Engines Fast
- Quickly Penetrates Grease, Oil and Sludge
- Auto, Truck & Marine Engines, Farm & Industrial Machinery, Power Mowers & Garden Equipment

Stock No.	FILL SIZE	PACK
B-00005	16 oz. net wt./454g	12

**Professional Heavy Duty
BRAKE PARTS & METAL CLEANER
Non-Flammable - No Flashpoint**

- Powerful Spray
 - Cleans & Degreases Fast
 - Dries Fast & Completely
 - Leaves No Residue
 - Removes Brake Dust, Grease, Oil & Brake Fluid
 - Helps Stop Disc Brake Squeal
 - For CV Joints, Brakes, Clutches, Parts, & Tools
- Not for Sale or Use in California

Stock No.	FILL SIZE	PACK
B-00002	18 oz. net wt./510g	12 ★
B-00125	55 gallon/208 liters	1

**Professional
BRAKE PARTS & METAL CLEANER
Non-Flammable - No Flashpoint**

- Cleans & Degreases Fast
 - Dries Fast & Completely
 - Leaves No Residue
 - Removes Brake Dust, Grease, Oil & Brake Fluid
 - Helps Stop Disc Brake Squeal
 - For CV Joints, Brakes, Clutches, Parts, & Tools
- Not for Sale or Use in California

Stock No.	FILL SIZE	PACK
B-00102	18 oz. net wt./510g	12 ★

**Professional Heavy Duty
BRAKE PARTS & METAL CLEANER
Non-Chlorinated**

- Powerful Spray
 - Cleans & Degreases Fast
 - Dries Fast & Completely
 - Leaves No Residue
 - Removes Brake Dust, Grease, Oil & Brake Fluid
 - Helps Stop Disc Brake Squeal
 - For CV Joints, Brakes, Clutches, Parts, & Tools
- **VOC Compliant in all US States**

Stock No.	FILL SIZE	PACK
B-00003	15 oz. net wt./425g	12 ★
B-00135	55 gallon/208 liters	1

**Professional "Low Odor" Formula
BRAKE PARTS & METAL CLEANER
Low Odor/Non-Chlorinated**

- Formulated for Lower Odor
 - Powerful Spray
 - Cleans & Degreases
 - Dries Fast & Completely
 - Leaves No Residue
 - Helps Stop Disc Brake Squeal
 - Removes Brake Dust, Grease, Oil & Brake Fluid
 - Helps Control Asbestos Brake Dust When Used According to OSHA Rules
 - For CV Joints, Brakes, Clutches, Parts, Tools & More
- **VOC RESTRICTIONS - Not for Sale or Use in California, Michigan or Northeast OTC Regulated States**

Stock No.	FILL SIZE	PACK
B-00033	14 oz. net wt./397g	12 ★

**Industrial
SAFETY SOLVENT
DEGREASER**

Non-Flammable - No Flashpoint

- Strong Solvent Degreaser
 - Cleans & Degreases Instantly
 - Dries Fast & Completely
 - Leaves No Residue
 - Mobile & Easy to Use for Shop & Field
 - For Metals, Tools & Machinery
- Not for Sale or Use in California

Stock No.	FILL SIZE	PACK
B-00052	18 oz. net wt./510g	12 ★

**Industrial
SOLVENT DEGREASER**

- Strong Solvent Degreaser
- Cleans & Degreases Instantly
- Dries Fast & Completely
- Leaves No Residue
- Mobile & Easy to Use for Shop & Field
- For Metals, Tools & Machinery

Stock No.	FILL SIZE	PACK
B-00053	15 oz. net wt./425g	12 ★

ELECTRICAL CLEANERS

Industrial Grade CONTACT CLEANER

Non-Flammable - No Flashpoint

- Safely Cleans & Degreases • Dries Fast
- Leaves No Residue
- Non-Corrosive • Non-Conductive
- For Circuit Boards, Computers, Printers, Solenoids, Regulators, Switches & More

Stock No.	FILL SIZE	PACK
B-00029	16 oz. net wt./454g	12 ★

Professional Heavy Duty ELECTRIC MOTOR & PARTS CLEANER

Non-Flammable - No Flashpoint

- Cleans & Degreases • Leaves No Residue
- Use Without Disassembly • Dries Fast
- Electrical Motors, Relays, Switches, Starters, Alternators, Solenoids, Regulators, Switches

Stock No.	FILL SIZE	PACK
B-00036	18 oz. net wt./510g	12 ★

Professional Quick Drying ELECTRONIC CLEANER

- Formulated to Replace CFC-based Product Where Lower Flashpoint Solvent Can Be Used
- Instantly Removes Oil, Grease, Dirt, & Flux
- No Rinsing • Dries Fast • Leaves No Residue
- Contains No Chlorinated Solvents

Stock No.	FILL SIZE	PACK
B-00039	11 oz. net wt./312g	12 ★

GLASS & SURFACE CLEANERS

Professional Foam GLASS CLEANER

- Ammonia Free**
- Safe for Window Tinting Film
 - Cuts Oil, Grease, Fingerprints & Grime
 - Won't Streak or Smear • Pleasant Scent
 - NO Ammonia or Other Harmful Ingredients
 - Will Not Damage the Reflective Back on Mirrors

Stock No.	FILL SIZE	PACK
B-00004	19 oz. net wt./539g	12

Fresh Orange EXTRA CLEAN™

- All Purpose Deep Cleaning Foam**
- Quickly Lifts Out Dirt, Grease & Grime
 - Restores a "LIKE NEW" Look - FAST
 - Spray ON, Wipe OFF
 - For Vinyl, Plastic, Carpet, Fabric, Rubber, Fiberglass, Concrete, Tile and More

Stock No.	FILL SIZE	PACK
B-00044	19 oz. net wt./539g	12

LUBRICANTS

Industrial Grade CUTTING OIL

- Metal Cutting Lubricant
- Excellent for Hard-to-Machine Metals
- Minimizes Torque Increase
- Does Not Contain Sulfur, Chlorinated Paraffins, Water, Solvents or Inactive Fillers
- High Temp. to 900°F/482°C
- For Thread Cutting Machines, Drills, Saws, Engravers, Gear Cutters, Piercing, & Broaching

Stock No.	FILL SIZE	PACK
B-00022	16.5 oz. net wt./468g	12

Industrial Grade CUTTING TOOL COOLANT

- Helps Tools Run Cooler
- Extends Cutting Tool Life
- Improves Tool Performance
- Safe for all Types of Metals

Stock No.	FILL SIZE	PACK
B-00021	20 oz. net wt./567g	12

Industrial Grade OPEN GEAR LUBE

- Penetrates into Gears & Cables for Premium Lubrication
- Performs in High & Low Temperatures and in High-Pressure Environments
- Weather Proof Formula - Will Not Wash Off
- Helps Reduce Wear • Inhibits Rust & Corrosion
- For Open/Exposed Gears, Industrial Equipment, Power Winches, Cables & More

Stock No.	FILL SIZE	PACK
B-00020	12 oz. net wt./340g	12

**Professional Heavy Duty
SILICONE SPRAY
Synthetic Lubricant**

- Lubricates, Protects, Seals • Repels Water
- Stops Squeaks, Corrosion & Friction
- No Petroleum Grease or Oil • Stain Free
- Conditions Rubber • Dries to the Touch
- Protects Against Rust & Corrosion
- Effective from -35° F to +400° F
- For Metal, Rubber, Plastic, Vinyl & More
- VOC RESTRICTIONS - Not for Sale or Use in California, Michigan or Northeast OTC Regulated States - Except where OEM Use Allowed

Stock No.	FILL SIZE	PACK
B-00006	10 oz. net wt./283g	12 ★

**Professional Heavy Duty
WHITE LITHIUM GREASE
Long Lasting Lubricant**

- Reduces Friction & Wear • Repels Moisture
- Protects Against Rust & Corrosion • Waterproof
- Superior All Weather Penetrating Protection
- Withstands High & Low Temperatures
- Multi-Purpose • Metal, Plastic & More

Stock No.	FILL SIZE	PACK
B-00007	12 oz. net wt./340g	12 ★

**Professional Heavy Duty
SILICONE SPRAY
Food Grade Synthetic Lubricant**

- NSF-H1 Registered for use in meat & poultry plants
- Lubricates, Protects, Seals • Low Odor
- Repels Water While Permeable to Air
- Protects Against Rust
- Dries to the Touch
- For Metal, Rubber, Plastic, Vinyl & More

Stock No.	FILL SIZE	PACK
B-00056	10 oz. net wt./283g	12 ★

**Industrial Grade
RED GREASE
Liquefied Penetrating Formula**

- Coats, Penetrates, then Solidifies
- Outstanding Extreme Pressure
- High Temp. Performance
- Stable & Long Lasting
- Will Not Break Down, Harden, or Separate

Stock No.	FILL SIZE	PACK
B-00008	11.5 oz. net wt./326g	12 ★

**Professional Heavy Duty
PT-1™ - Super Fast Penetrating Oil**

- Attacks Rust & Corrosion
- Loosens & Frees Rusted Nuts, Bolts & Frozen Mechanisms
- Pinpoint Spray • Lubricates & Cleans
- Contains No Silicone - Safe For Paint & Body Shops

Stock No.	FILL SIZE	PACK
B-00017	12 oz. net wt./340g	12 ★

**Professional
MP-6™ - Lubricant**

- Lubricates • Cleans • Protects
- Stops Squeaks & Reduces Friction
- Water Displacement Formula - Drives out Moisture - [Compare to WD-40](#)
- Frees Sticking Mechanisms
- Loosens & Frees Rusty Nuts & Bolts
- Protects Against Rust & Corrosion

Stock No.	FILL SIZE	PACK
B-00018	12 oz. net wt./340g	12 ★

**Industrial Grade
DRY MOLY LUBRICANT**

- High Lubricity Formula • Reduces Friction & Wear
- Clean, Long-Wearing Lubrication & Protection
- Fast Drying • Superior Extreme Pressure Protection
- Excellent Break-in Lube for Pistons, Gears, Pump Assemblies, Cables, etc.
- Prevents Seizing of Sliding Parts, Chains & Cables, in a High Temperature Environment

Stock No.	FILL SIZE	PACK
B-00014	12 oz. net wt./340g	12

**Industrial Grade
DRY GRAPHITE LUBRICANT**

- Reduces Friction & Wear
- Clean, Long Wearing Lubrication & Protection
- Fast Drying • Extreme Pressure Performance
- Heat Resistant to 850° F/454° C
- Excellent for Machinery, Wire Rope, Locks, Winches, Parking Meters, Vending Machines

Stock No.	FILL SIZE	PACK
B-00015	12 oz. net wt./340g	12

**Industrial Grade
Moly & Graphite Heavy Duty
CHAIN & CABLE LUBE**

- Foams on to Coat, Penetrates as an Oil, then sets up as a Grease for Maximum Protection
- Helps Reduce Wear • Inhibits Rust & Corrosion
- Extra Tack Reduces Sling Off
- High Temp. to 900° F/482° C
- For Chains, Cables, Wire Ropes, Bars, & Pulleys on Industrial, Farm & H.D. Equipment

Stock No.	FILL SIZE	PACK
B-00019	16 oz. net wt./454g	12 ★

**Performance
CHAIN LUBE
With PTFE Friction Reducer**

- Clear Formula
- Reduces Friction & Wear
- Will Not Fly Off or Breakdown
- Penetrates to Protect, then Thickens
- Operating Temp. to +285° F
- For Chains, Cables, Gears, & Hinges on Industrial Equipment, Motorcycles, Bicycles & Go-Carts

Stock No.	FILL SIZE	PACK
B-00031	11oz. net wt./312g	12 ★

Industrial Grade
COPPER ANTI-SEIZE
Graphite & Aluminum Enhanced Blend

- Reduces Friction, Wear & Torque
- Prevents Corrosion, Galling, Seizing & Pitting
- Eases Assembly & Disassembly
- Protects Metal from Heat & Corrosion
- Heat Resistant to 2000°F/1093°C

Stock No.	FILL SIZE	PACK
B-00011	12 oz. net wt./340g	12 ★
B-00172	4 oz. net wt./113g	12
B-00173	8 oz. net wt./226g	12

Industrial Grade
MOLY ANTI-SEIZE

- Reduces Friction, Wear & Torque
- Prevents Corrosion, Galling, Seizing & Pitting
- Protects from Extreme Pressure & Corrosion
- Eases Assembly & Disassembly
- Heat Resistant to 2400°F/1316°C

Stock No.	FILL SIZE	PACK
B-00035	12 oz. net wt./340g	12 ★

Industrial Grade
NICKEL ANTI-SEIZE
Graphite Enhanced

- Reduces Friction, Wear & Torque
- Prevents Corrosion, Galling, Seizing & Pitting
- Formulated to Deliver Protection in Highly Corrosive Industrial Environments
- Eases Assembly & Disassembly
- Heat Resistant to 2600°F/1427°C

Stock No.	FILL SIZE	PACK
B-00030	13 oz. net wt./369g	12 ★
B-00193	8 oz. net wt./226g	12

ADHESIVES

Industrial OEM
SPRAY ADHESIVE

High Strength • High Temperature

- Adjustable Spray - Pinpoint to Fan/Web Type
- Fast Tack for Quicker Assembly
- Tack Timing Range 1 to 8 Minutes
- Low Soak-In For More Coverage & Stronger Bonds
- Contains No Methylene Chloride
- For Wood, Metal, Vinyl, Many Plastics, Decorative Laminates, Auto Trim, Headliners, etc.
- VOC RESTRICTIONS - Not for Sale or Use in California, Michigan or Northeast OTC Regulated States - Except where OEM Use Allowed

Stock No.	FILL SIZE	PACK
B-00091	13.5 oz. net wt./383g	12

Enhanced Industrial Strength Cyanoacrylate
INSTANT CA ADHESIVE

- Fast Setting & Low to Medium Viscosity Adhesive for Use on All Types of Substrates
 - Enhanced Formula Adheres Rapidly to Inactive Surfaces Like Paper, Wood, Leather & Fiberglass Mat
 - Fills Gaps up to .005 Inches
 - Setting Time (68°F, 65% RH):
- | | |
|-----------------|------------|
| Metal/Metal | 10 Seconds |
| Plastic/Plastic | 5 Seconds |
| Rubber/Rubber | 3 Seconds |
| Wood/Leather | 2 Seconds |
- Meets MIL-A-46050C Type II, Class A

Stock No.	FILL SIZE	PACK
B-20401	1 oz. net wt./28g	10

THREADLOCKERS / SEALANTS

Medium Strength
BLUE THREADLOCKER

- Locks and Seals Threads
- Prevents Loosening From Vibration
- Removable with Standard Tools
- Fasteners 1/4" to 3/4"

Stock No.	FILL SIZE	PACK
B-20010	.34 fl. oz. net/10mL	12 C
B-20050	1.69 fl. oz. net /50mL	10

High Strength
RED THREADLOCKER

- Locks and Seals Threads
- Prevents Loosening From Vibration
- Requires Extra Effort for Removal
- Fasteners 3/8" to 1"

Stock No.	FILL SIZE	PACK
B-20110	.34 fl. oz. net/10mL	12 C
B-20150	1.69 fl. oz. net /50mL	10

High Performance Gasketing
PIPE SEALANT
With PTFE

- For All Threaded Metal Substrates
- Instant Low Pressure Seal
- Cures to Pipe Burst Pressure in 24 Hrs.
- Lubricates During Assembly & Prevents Galling
- Resists Most Industrial Chemicals & Gasses
- No Solvent • No Shrinkage

Stock No.	FILL SIZE	PACK
B-20567	50mL Tube	10

Industrial Grade
COLD GALVANIZE

- 99% Pure Zinc Epoxy Coating
- Repairs Chipped, Cracked, Re-welded or Rusted Hot Galvanize Surfaces
- Heat Resistant to 600°/316°C
- Use as a Primer or Finish Coat
- Meets DOD-Dept of Defense & Military Specs DOD-P-21035, MIL-P-26915A, MIL-P-46105

Stock No.	FILL SIZE	PACK
B-00013	13 oz. net wt./369g	12

Industrial Grade
O.E. SHINY GALVANIZE
Bright Zinc Rich Formula

- Shiny Finish with Lighter Color than BTS Cold Galvanize
- Bonds Zinc Rich Protective Coating to Surface
- Use for Touch Ups of Final Coating
- Fast Drying
- Meets ASTM A780 Specs

Stock No.	FILL SIZE	PACK
B-00062	13 oz. net wt./369g	12

Industrial Grade
STAINLESS STEEL
Metallic Coating

- Fast Drying
- Attractive Satin Sheen Finish Coating
- Non Yellowing - Resists UV Light
- Contains 100% 316L Stainless Steel Pigment
- Excellent for Conveyors, Racks and Hand Rails
- USDA Authorized for Use in Meat and Poultry Packaging Plants

Stock No.	FILL SIZE	PACK
B-00064	13 oz. net wt./369g	12

Industrial Grade
RUST & CORROSION INHIBITOR
Waxy Protective Film

- Long Lasting Waxy Corrosion Inhibiting Film
- Seals Out Rust & Corrosion
- Will Not Crack or Dry Out
- Will Not Harm Paints, Plastics or Rubber
- Also Acts as a Long Lasting Lubricant

Stock No.	FILL SIZE	PACK
B-00028	11 oz. net wt./312g	12★

Industrial Grade
RED INSULATING VARNISH
Dielectric Coating

- Very Fast Drying, High Gloss Enamel Coating
- Protects, Seals and Insulates Surfaces Against Oil, Moisture, Acid and Alkali
- Recommended for Use as a Finish Coat for "F" Class Winding or Electrical Apparatus

Stock No.	FILL SIZE	PACK
B-00065	16 oz. net wt./454g	12

Pro Heavy Duty
DISC BRAKE QUIET

- Helps Eliminate Squeaks & Squeals
- Dampens Vibration that Causes Brake Squeal With a High Temp & Water Resistant Film
- Fast Drying
- Compatible with ABS Systems

Stock No.	FILL SIZE	PACK
B-00023	12 oz. net wt./340g	12

Pro Heavy Duty
BELT DRESSING

- Stops Squeals • Prevents Slippages
- Adds Traction • Extends Belt Life
- Conditions & Protects Against Drying & Cracking
- For Engine Fan Belts & Motor Driven Belts for Fans, Drill Presses, Saws, and Other Belt Driven Equipment
- Not for Use on Serpentine Belts

Stock No.	FILL SIZE	PACK
B-00037	10.5 oz. net wt./298g	12★

Pro Heavy Duty
BATTERY PROTECTOR & CORROSION INHIBITOR

- Coats, Penetrates & Protects Terminals, Cables & Connectors
- Protects Against Acid Corrosion & Moisture
- Long Lasting - Won't Dry Out or Crack
- Extends Battery Life
- Excellent for New & Older Batteries

Stock No.	FILL SIZE	PACK
B-00024	11 oz. net wt./312g	12

Pro Heavy Duty
BATTERY CLEANER & ACID LEAK DETECTOR

- Removes Corrosion, Acid & Dirt Deposits From Terminals, Clamps, Connectors, Cable Ends and Mounting Brackets
- Yellow Cleaning Foam Turns Red When it Locates Acid Leaks

Stock No.	FILL SIZE	PACK
B-00026	15 oz. net wt./425g	12

★ Includes Extension Tube
