

Kitset Farm Sheds

New Zealand's most popular & economical farm sheds.

Robust unique design using heavy gauge steel, fixings and materials to withstand the elements.

Ideal for use as a farm implement shed, machinery storage, hay shed, utility shed, animal shelter, calf rearing, vehicle storage, lifestyle shed.

Poles are H5 treated giving you a 50 year no rot guarantee and cladding comes with a 15 year guarantee.

All Framing NZ quality No.1 framing, H3 treated.

Roofing and cladding is traditional NZ steel, 0.4 gauge, either corrugated or 5 rib profile.

Either zinalume or coloursteel available.

Options include: colour steel, gutter and downpipes, barge flashings, front eyebrow canopy, internal walls, one bay closed in, roller door, personal door, windows, skylights, etc.

We can construct it for you anywhere in New Zealand. For all designs & sizes available, please contact Linc: ph: 021 228 3359 or email: info@sheds4U.co.nz
